

PROPOSED MANAGEMENT OF PLOTS OF LAND COMPRISING PRIORY WOOD COMMON FOR 2022*

Agreed actions based on: 10th February 2022

LOCATION	AGREED ACTIONS	IMPLEMENTATION
Chapel Common	Playground facilities to be retained. Area in eastern half of Common adjacent to playground to be mowed 3 times a year to allow for its use as a play / games area. Western half of Common and roadside verges to be retained as wild flower area. – and not to be cut until after seeding. RoSPA inspection to be carried out in March.	All 4 mowings will be undertaken by a volunteer or a paid contractor after quotes have been submitted. Also mow public footpath CL 6 where it crosses the Common. (CC)
Orchard Common	To be mowed 3 times a year by year end	All 3 mowings will be undertaken by volunteer/contractor. (CC)
Middle Common	To be mowed up to 3 times a year – winter cut by year end	All 3 mowings will be undertaken by volunteer/contractor (CC)
Bake Lane Commons	All 6 Commons to be allowed to remain in a wild state to encourage flora and fauna. Path to be kept open for walkers and cleared as required.	Path access will be managed – volunteers/contractors as appropriate
Church Lanes Common (Upper)	Currently overgrown; a narrow through track to be created with the sides allowed to thicken to encourage flora and fauna.	To be decided.
Church Lanes Common (Lower)	To be allowed to remain in a wild state to encourage flora and fauna. Path to be maintained throughout its length up to point where it meets with unclassified footpath leading to Church Road. WB will liaise with adjacent landowners	Will be managed by volunteers/contractors as appropriate WB will oversee
Roadside Verge Commons (including Wall Covert)	Management to be left to the discretion of adjacent home owners subject to their complying with the Scheme of Regulations for the Common.	As per proposal.

If you have any concerns in regard to the commons please ring **01497 831765**

*To be reviewed annually; *next review due Feb 2023*
